

9:30am – 2pm

Friday Oct 19th, 2018

[Rotorua Lakes Council, 1061 Haupapa Street, Rotorua](#)

*At our last forum, we learnt about the Provincial Growth Fund for regional development and discussed the linkages between economic and social development. The burning question we were left with was: “How can economic development projects make a difference for our most vulnerable communities, families, whanau here in the Bay?” Today’s forum wants to pick up on that question and explore how **impact investment, social enterprise and cross-sector collaboration can make a real difference.***

9:30am: Welcome, introductions, purpose

The purpose of this leadership forum is to:

- Learn about **the proposal of a regional impact investment fund** from Enterprise Angels Bay of Plenty
- Consider the **role of local and central government to enable impact investment** for social and environmental outcomes
- Think outside of the box when it comes to solving some of our complex social and environmental challenges.

9:45am: Impact Investment 101

[Bill Murphy](#), Executive Director for [Enterprise Angels](#)

- Overview of Enterprise Angels
- What is impact investment and what can we hope to achieve by it? *Impact Investment 101*
- BOP regional impact investment fund - the proposal

10:15am Discussion groups

The forum will use this time to:

- Look at **successful impact investment case studies** involving local and central government
- Explore the **roles of local and central government** in enabling impact investment, and
- Discuss support for and give feedback on the Enterprise Angels proposal for a regional impact investment fund
